## *2009 Winter Newsletter*

Winter is here and 4 My Dogz is getting the 2009 indoor training schedule underway

Early in 2008, we expanded the indoor training facility to provide year-round agility and manners classes. We are also offering training classes inside the Sussex location of Central Bark Doggy Day Care.

All of the new classes and locations required an increase in personnel. We now have four part-time instructors to lead the updated class offerings into the 2009 training season. We are sure to have a class available to fit your needs and schedule.

- Beginner Agility Foundations classes start every 8 weeks.
- Small group Agility handling classes are now three nights a week, held in our heated and matted training building.
- Puppy Kindergarten, Basic Manners and Advanced Manners are held regularly at the Central Bark location.
- All classes are currently scheduled and listed on our web site, where you can sign up right on line!

Would you like to have your companion certified in CGC or as a Therapy Dog? 4 My Dogz now offers classes for CGC preparation and Therapy Dog preparation, to help teams prepare for taking the certification exams.

Looking for great, custom made, high quality agility equipment? We're now offering equipment made by Ruff Dog Agility... Link to it from our website! More information and items available will be added soon!

Be sure to stop by and visit our booth at the 2009 Great Lakes Family Pet Expo on Saturday, January 31, from 10 am through 6 pm at the Wisconsin Exposition Center.

4 My Dogz, LLC would like to wish you all a Joyous Holiday Season and we look forward to seeing you in 2009!
